Hurrah!!!!

Amy passed her last test for high school!!!

She is excited to have finished and is praying that she will be able to attend Ethnos 360 Bible School in Waukesha this August.

We had a family brunch to celebrate Amy and Benji's graduation.

**ASHLEY**, really enjoyed her internship in the kitchen at Ethnos 360 Bible Institute! This summer she is cooking at a Christian camp in Nebraska. She plans to spend another year in Waukesha saving up to attend Ethnos 360 Missionary Training Center in Missouri. The Lord

has provided her with an apartment to rent with one of her friends. **Pray that the Lord**

**would provide her with a support team.**

### **ANSWERS TO PRAYER:**

Thank you for praying for our classes: The students and I were blessed with 100 hours together studying the end times

events! We are sooo close to the end! Soon we will be with the King of kings forever!!! As I looked at a street in Bogotá, I thought, “This hasn’t changed much; but it will all be gone soon! Studying prophecy has made me more aware of how temporal this world is.

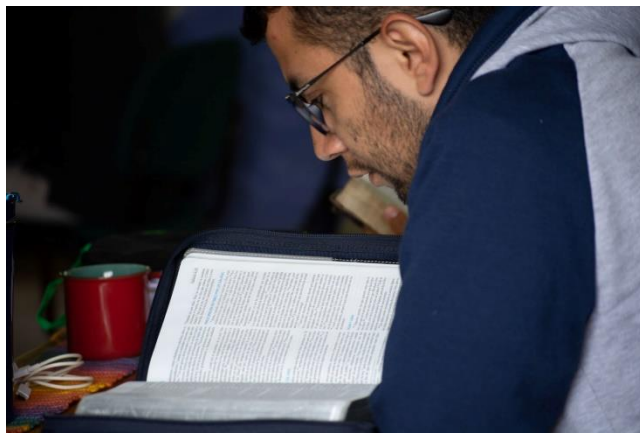

The Lord gave us a wonderful time in “Defending the faith” class. It usually is a very hard class for the students as it is on the last hour of the week, at mid-day; but the Lord made it one of their favorite classes!! I was surprised.

It has been an encouragement to get together with Santiago and Feisal every Thursday for discipleship class. Feisal said, “I came here to the college because I wanted to know God’s Word better; and friends and family thought I was crazy to leave my well-paying job to study the Bible. My parents thought it was a good

idea but were concerned about my financial future. Now the Lord has shown me that He wants me to serve Him full-time. I don’t know how my parents, or my church will respond. Pray for me!

Then, 2 weeks ago, Feisal told me that his parents were behind him 100%! Praise the Lord! Now, to communicate the plan to the church!

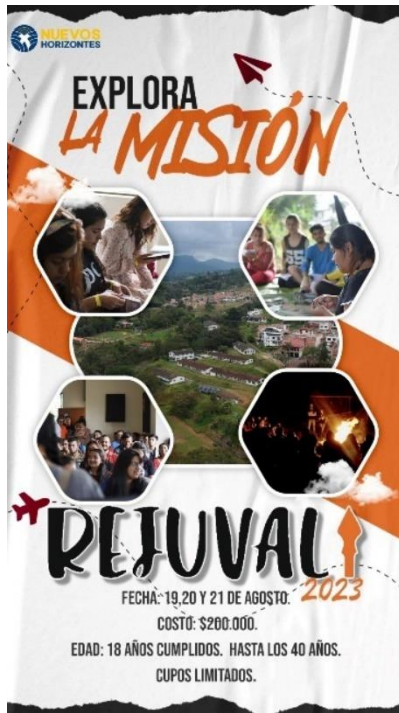

**Pray for Feisal as he presents the idea to his church. Pray that God would provide a support team for him.**

The students who enter their 4<sup>th</sup> semester must decide whether the Lord is leading them into cross-cultural church planting or not, because they finish their 2 years of Bible College in December and decide whether to continue with our Missions College (2 years). **Pray that God would challenge them to give their lives to serve Him.**

## CHALLENGES:

**Explore the mission, REJUVAL:** On August 19-21, we will again hold our yearly weekend retreat to challenge people to give their lives to spread the gospel to the least reached and show them how we can prepare them to do just that. (See the flyer on the left.) This is one of our best recruitment tools. **Pray that the Lord would bring many people, and that they would be willing to listen to God.**

### **URGENT PRAYER:**

**We need more teachers for our next semester which starts in less than 1 week! Two of our teachers are getting married and going to Southeast Asia to plant churches, and we were already stretched.**

Thank you for praying! The Lord reminds me that this is not a one-man job, but He works through the body of Christ. Thank you so much for letting us be part of what God is doing through you to reach the world. Every personal contact and relationship you have count towards building His kingdom. Thank you for your loving generosity.
